

Prosecco is a white grape that is native to the Veneto region in north-east Italy. It is responsible for a sparkling wine of the same name.

*“For a gourmet, wine is not a drink but a condiment, provided that your host has chosen correctly.”
Edouard de Pomaine,
French author*

The first known 'wine critic' was Roman historian Pliny the Elder. He rated 121 B.C. as a vintage "of the highest excellence."

Umami (pronounced "oo-mah-mee") is the perception, by specific taste buds, of combined amino acids on our palate. This sensation occurs when wine and food naturally relate to each other thus giving us distinct pleasure.
